Please join us in celebrating YOU! - our wonderful community of loyal customers and friends, on-site financing will be offered by Maine Highlands Federal Credit Union, and the Anah Temple Shrine Clowns will be here to entertain. At 11:00 a.m. our special guest Paul House, of House in the Woods, Inc. a Military and Family Retreat, ([houseinthewoods.org](http://houseinthewoods.org)) will give a brief talk.

When our country needed them, generations of brave men and women answered the call of duty to serve in our nations' military. They sacrificed their family time, health, safety, and even their lives to protect ours. But with the return home, these soldiers bring with them life altering wounds and heartache which only their fellow brothers-in-arms can ever begin to understand. America can never restore what was lost but House in the Woods Military and Family Retreat offers an outdoor retreat program that honors their sacrifice and assists our veterans in the journey towards healing the mental and physical pain of loss.
